USAD Event Management & Scoring Software Version 1.....License Fee \$250.00

- License fee includes:
- Access to desktop software (Windows 7 or higher)
 - Access to the scoring website

The downloadable, PC only version of the software is necessary for scanning tests. Scanning to the Web-based version is not currently available. **Compatible scanners:**

- Apperson Datalink 1200
- Apperson Datalink 3000
- Scantron OpScan 4ES
- Scantron Scanmark 2000
- Compatible with many legacy Scantron scanners

**User's manual is posted on the scoring website.*

The software license fee of \$250.00 is charged once per organization/user ID (i.e. a state, a region, a school district, or a classroom). Both the downloadable and web-based versions require a unique user ID, so please provide one email address per license purchased. **Please attach a list of additional users/emails when ordering 6+ licenses.**
