

UNITED STATES ACADEMIC PENTATHLON

2016 – 2017 Competition Year

The premier scholastic competition for 6th, 7th and 8th grade students!

OVERVIEW

- ⚡ United States Academic Pentathlon is the newest program from the United States Academic Decathlon®. This premier national scholastic competition for middle school students was created to provide opportunities for students to experience the challenges of rigorous team and individual competition.
- ⚡ The five-event academic program strives to foster a greater respect for knowledge, to promote wholesome inter-school academic competition, and to further develop students' communication skills.
- ⚡ Academic Pentathlon is uniquely designed to include students with a wide variety of academic abilities.

GETTING STARTED

- ⚡ Academic Pentathlon teams should consist of a maximum of nine team members and a minimum of six team members. All students must be currently enrolled in grades 6-8. Each team must consist of at least two "A" students, at least two "B" students and at least two "C or below" students. The team score will be determined by the sum of the top two student scores in each GPA category. The GPA Calculation Form can be found on the USAD Pentathlon web page.
- ⚡ Teams advance through local, regional and state levels of competition. The state champions compete in the national finals. MOST Academic Pentathlon competitions take place online in a virtual testing environment, so there is no travel required for teams! The National Academic Pentathlon competition is held in a physical location.
- ⚡ Academic Pentathlon teams are encouraged to partner with local high school Academic Decathlon teams, perhaps having Academic Decathlon students serve as mentors to Pentathlon students.

CURRICULUM

- ⚡ Academic Pentathlon's curriculum is an interdisciplinary curriculum in which a selected theme is integrated across five different subject areas: fine arts, literature, mathematics, science, and social science.
- ⚡ The Academic Pentathlon theme parallels that of the high school Academic Decathlon® program.
- ⚡ The theme for the 2016–2017 U.S. Academic Pentathlon curriculum is World War II. The themes are developed by our curriculum team with special attention to national content standards.
- ⚡ The materials will be available for downloading in PDF format (music CD files in mp3 format) beginning in mid-September each year. The site license fee allows you to download as many copies as needed. Novels may be purchased via online vendors such as Amazon or via your regular school vendors. All test questions will be derived from the USAP curriculum.
