Mankato, MN 56002

Memo:

The USAD Board of Directors has approved the establishment of a Division IV to be added to the USAD face-to-face national competitions. Each State that sends a State championship team to the national USAD face-to-face competition may also send a team that will compete in Division IV. This team will be selected by each state. If the state does not have a state director this team will be selected by USAD staff. The criteria for selection will be that the team participating in Division IV will be from a different division than the state championship team unless there are no divisions in that state. The Division IV teams will only be eligible for individual medals. All teams and individuals will be required to stay at the official hotels at the national USAD competition. Division IV teams will also be validated by the same process used to verify and validate state championship teams. States who wish to send a team to participate in Division IV must notify USAD on or before November 15, 2017.

Notifications received after this date may not be honored.
