

USAD ACADEMIC PENTATHLON

1ST ANNUAL NATIONAL COMPETITION RESULTS

The USAD Academic Pentathlon hosted the first annual National Competition in Omaha, Nebraska, on May 23 – 24, 2014. Twelve teams from nine states (schools were allowed to bring two teams this year if they wished) as well as eleven individuals took part in the competition. For most teams this was the first time they experienced a face-to-face competition, as most competitions are held online

Teams were tested in the following five subjects: Fine Arts (Art/Music), Language & Literature, Mathematics, Science, and Social Studies. After the testing took place, teams participated in the Super Quiz™, which included questions on four of the five subjects. Super Quiz™ was conducted in the same manner as in the Academic Decathlon® —students from each GPA level came to the stage and collaborated with their team members to arrive at the answers. The 8th grade team from Austin Academy for Excellence in Texas came in first place at the Super Quiz™ event.

The Awards Banquet was held on Saturday morning, May 24, 2014.

The top five overall teams were:

- 1st Place – Austin Academy for Excellence (8th Grade) – Texas
- 2nd Place – Austin Academy for Excellence (7th Grade) – Texas
- 3rd Place – Roosevelt Jr HS – Utah
- 4th Place – Indian Woods Middle School –Kansas
- 5th Place – Kamehameha Schools Hawai'i Middle – Hawai'i
