

USAD 2019 NATIONAL TESTING CHANGES:

USAD will be implementing the following changes that will affect only the Round 4 National tests that are being prepared for the 2019 Nationals in Minnesota. All testing times for the objective tests will remain 30 minutes. The objective tests will remain evenly weighted at 1000 points each.

Mathematics Test: Will increase from 35 questions to 45 questions total

Art, Science, and Economics: Will increase from 50 questions to 55 questions total

Social Science, Music, and Literature: NO Changes. 50 questions total

Super Quiz™ Relay: Will increase from 39 questions to 54 questions total (18 questions each for Honor, Scholastic, and Varsity)
