

2020 USAD Nationals Testing Updates

USAD will be implementing the following changes that will affect only the Round 4 National tests that are being prepared for the 2020 Nationals. The objective tests will remain evenly weighted at 1000 points each.

1. Continue with the test changes made for the 2019 Nationals tests in Mathematics, Art, Science and Economics. These include: adding 10 items to the Mathematics test; adding 5 items to the Art test; adding 5 items to the Science test; adding 5 items to the Economics test. No changes to the administration times for these tests.

2. Decrease the test administration times for Literature and Social Science by 5 minutes each to 25 minutes. No change needs to be made to the number of test items for each of these tests.
