Speech – 3–7 p.m. Convention Center – Frisco 9

All participants will present their speeches before a panel of two or three speech judges. As in previous years, approximately six decathletes will be present in the speech room during the speech competition. All six decathletes enter and leave the room at the same time. This format benefits decathletes by allowing them to listen to their peers’ speeches. Decathletes will only receive scores from the official speech judges. The peer audience will not score the speeches.

Each group of approximately six decathletes will be assigned a speech room and a session start time. The start time will be listed on the decathletes’ competition ID. Please ensure all decathletes with speech times in the same one-hour block are at their designated location and ready to enter the room at the beginning of the block time. The head judge in each room will welcome the group of decathletes and show them to their seats prior to calling the first decathlete speaker forward. Once a decathlete has presented both of their speeches, they will join the peer audience and the next decathlete will be called by the head judge. The group of six decathletes will be released from the speech room at the end of the session after all six decathletes have presented their speeches.
